It's time to get **Twisted!**

Please join us for Sacramento Mutual Housing Association's 6th Annual Community Development Awards Dinner – "Housing with a Twist." This special evening will be filled with twists and turns you won't want to miss.

As in years past, our region's top political and business leaders will gather to celebrate and recognize the previous year's most significant accomplishments in the area of affordable housing and community development. And leading us this evening as our emcee will be **our newly-elected Senator, Darrell Steinberg!**

Other event highlights include:
